

Reservation Terms:

Dear Customers,

You can reserve a plot at Auf Mont for four weeks without any obligation from your side.

After that you have two more weeks to:

- either set up a notary appointment
- or extend your reservation for 40 more working days. To do so, we kindly ask you to make a down payment of 1 % of the sales price of your reserved plot to the following account:

Account holder: Family Park Wincheringen GmbH
IBAN: DE50 5855 0130 0000 4681 81
BIC: TRISDE55XXX.
Sparkasse Trier

To keep your reservation valid, the down payment needs to be on our account within six weeks after the reservation date the latest.

Also the signed reservation form needs to be received by us by that date.

If you buy the plot within the reservation period, the down payment will be fully deducted from the sales price.

If you decide to cancel your reservation, we will keep a processing fee of € 600,-- (sixhundred Euros). We will return the remaining amount on your account right after your cancellation.

A cancellation of your reservation within the first six weeks is free of charge.
